Permanent Talent Solutions

The smart approach to recruiting permanent resources

We specialize in workforce-as-a-solution services, helping you find the skills you need, when you need them. Whether you need digital transformation expertise or a project specialist, we'll work with you to ensure you identify and retain the people you need to power your organization's growth and performance.

We take the long view. We know that planning is everything, and now it's more important than ever when considering what skills and capabilities your organization is going to need, not just tomorrow but into the future.

It's all about having the right people with the right skills – and creating an environment that encourages the retention of your highly-valued staff. Whether you're embarking on a new project or a complete digital transformation program – or simply aiming to stay ahead of the curve as technology advances change the face of your industry – we're here to help.

People to power your future performance

Through our Permanent Talent Solutions, you'll gain access to a highly-skilled team who can help you identify, recruit and retain the resources that will power your future performance.

We'll help you explore and define your strategy and plans, provide expert insights into the talent you'll need and any opportunities to transition your existing resources.

Do you need help with the following?

- Data
- Digital transformation
- Security
- Infrastructure
- Project solutions
- Business transformation

About Workforce Solutions, formerly Viiew, and NTT Ltd.

Workforce Solutions is a division in the Australia region of NTT Ltd. and includes the former Viiew as part of its broader expertise and capabilities. The Workforce Solution division specializes in workforce-as-a-solution services, allowing clients the flexibility to augment or strengthen their team with a specialized workforce who offer deep experience and expertise in digital, data, security, infrastructure, project solutions and business transformation. Our highly-experienced and skilled teams are supported by extensive training and enablement, ongoing technical assessments and our global network as part of NTT Ltd. All team members of Workforce Solutions are selected for the depth of their knowledge and experience in their particular field, as well as their professionalism and ability to integrate into our client's workplace environment. To ensure the best match, we encourage clients to be involved in selecting their Workforce Solutions consultants.

NTT Ltd. is a leading, global technology services provider. We work with organizations around the world to achieve business outcomes through intelligent technology solutions. For us, intelligent means data driven, connected, digital and secure. Our global assets and integrated ICT stack capabilities provide unique offerings in cloud-enabling networking, hybrid cloud, data centers, digital transformation, client experience, workplace and cybersecurity. As a global ICT provider, we employ more than 40,000 people in a diverse and dynamic workplace that spans 57 countries, trading in 73 countries and delivering services in over 200 countries and regions. Together we enable the connected future.
