

COVID-19 Precautions

Please follow the rules of behavior below for your own protection and the protection of third parties.

Wearing of masks or comparable mouth and nose protection (e.g. scarf) is mandatory on all GDC EMEA premises (inside and outside).

Wash your hands regularly and properly (at least 20 seconds) with soap and water – especially after blowing your nose, sneezing or coughing.

Keep your hands away from your face. Avoid touching your mouth, eyes or nose with your hands.

If you show symptoms of illness you are not allowed to enter the building. Please inform your contact person.

Keep 2m safety distance to others to protect yourself and others.

If you need to cough or sneeze, use a tissue or the crook of your arm. If you use a tissue, make sure you dispose of your used tissue in a bin with a lid.

Avoid direct contact (e.g. do not shake hands or hug) when welcoming other people or saying goodbye.
